

Pallet definitions

UPN offers the widest range of pallet definitions available in the UK market, to ensure that customers get the best value for money available. This document outlines the standard definitions for pallets shipped using the UPN system.

To find out more about first class travel without a first class price, call us on **0844 833 0300**.

Please refer to your rate schedule for pricing details and service options.
Please contact your local depot who will provide pricing for all your oversized pallet shipments.
